

# Straight from the Heart 2015 Bartle Summer Camp Newsletter!

We Will be Camping 5th Session in Camp Lone Star  
Campsite Apache from July 16th - 25th

## Pre-Camp Check-In Stations Wednesday, July 15th 6 - 8 PM

ALL Scouts must go through each station of the check-in process. Doing your check-in the night before camp will ensure everyone is ready for the big day, and make for a more relaxing Thursday morning.

1. The "Zero Balance" station will confirm all fees are paid. Troop Treasurer will **confirm all accounts are current**. Boys or adults, whose accounts are in arrears, will not be allowed to attend camp until payment arrangements have been made.
2. At the Start Station your Scout will receive a check-in sheet and verify that his **Family Summer Camp Contract** has been signed and is on file.
3. Mail Station - **drop off mail** you want delivered. USPO mail delivered to camp is notoriously slow. Avoid delays and ensure delivery by using Troop Mail instead.
4. Health Form Station - will verify your son's **health form is current, with a doctor's signature**, and has a health insurance card attached. **DO NOT WAIT** until right before camp to fix health forms!
5. Medication Station will accept prescription and over-the-counter medications. Please see "Medications at Camp" for additional details.
6. Merit Badge & Outpost Station will verify that your son (2nd year & above) has any required fees for his merit badges or Outpost. Money needs to be in a Ziploc bag, separated from spending money, and marked with the Scout's name.
7. Equipment Station will verify that your scout is **wearing FULL Formal Class "A"** - everything but his sash. He will need to be wearing it Thursday morning for departure.
8. Camp Box Turn-in. On top of his camp box he will need swim trunks, scout book, Class "B" shirt, and poncho / rain gear. They will also verify that his camp box has a lock - with a copy of the combination listed.
9. Finish station will accept your son's completed check-in sheet, and store his camp box at the church until morning.

## Notice to the Parents of First Time Bartle Campers:

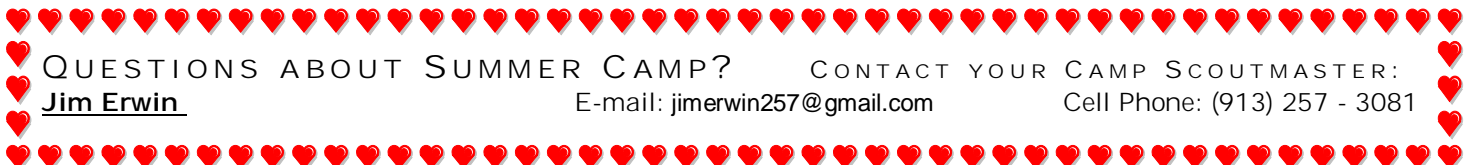

You and your son are about to embark on a fun-filled adventure - Boy Scout Summer Camp at H. Roe Bartle Scout Reservation. We say "you and your son" because you are one of the major influences on how your son will view his camping experience. If you show interest, enthusiasm and encouragement, your son is much more likely to do the same.

Demonstrate to him that you believe in him and his abilities. Bartle is a wonderful experience where your son will have a great time and will grow both physically and mentally. With your help, he will get the most out of his experience.

Summer Camp Scoutmaster - Mr. Erwin

## Departure & Arrival Checklist Thurs. July 16

- Meet in the South parking lot of Atonement Lutheran Church on **Thursday, July 16th at 8:00 am**. Please plan to stay and help your son through the check-in process. We are scheduled to leave at 9:00 am.
- Scouts **must wear full formal Class "A" uniform** - everything but sash. Scouts not wearing full Class A, will be sent home. Many scouts wear their swimsuits under their uniform, so they can quickly change for the **swim test** - which is conducted immediately upon reaching camp.
- Bring a sack lunch and drink. We'll eat while waiting in line to get into camp Lone Star.
- **AFTER CAMP** - we will return to the Church parking lot on Saturday, July 25th around noon. We'll send an email when we get close. Please do not be late picking up your son; everyone is ready to be home.

- Box must be locked - preferably with a combination style lock.
- At pre-camp check-in bring a copy of the combination or an extra key, for the adult leaders .
- Have your son memorize and practice with the combination before camp.

## Mail - Scouts love to get mail!

Please write early, and often. First-year parents especially! Delivery

takes 2-3 days, so please start writing before your son leaves. Give Grandparents and out of town relatives the following address:

"Scout's Name" Troop 257  
Camp Lone Star, Campsite Apache  
Bartle Scout Reservation  
5525 N.E. Scout Camp Road  
Osceola, Missouri 64776-9000

On the outside of the envelope in the upper right corner (where a stamp would be placed) write the DAY you want the item delivered—ex. Day 2. Mail will be delivered days 2 thru 9.

## Medical Forms

**Please update the BSA Health Forms for boys and adults now!** Turn your forms in at any Troop meeting. Need all three parts (A, B, C) with Doctors Signature and copy of insurance card attached. The new 2014 forms are required this year. They can be found at <http://www.hoac-bsa.org/Data/Sites/1/media/camping/CMP-Health-Form-2014.pdf>

**Without a current health form on file, you will not be allowed to remain on the Reservation.** To avoid problems, please plan to turn these forms in to Katie Schatte or Dennis Wagner no later than June 4th. In addition to the BSA Health Form, the Troop requires the following:

**Medication Short Form:** Authorizes troop to give Tylenol to your scout – need a form on ALL scouts, even if no over-the-counter medicine is to be authorized.

**Medication Long Form:** For prescription medicine. Complete form now - then turn in medicine at pre-camp check-in.

Medicine must be in original container listing dosage and frequency. Placed in Ziploc bag with photo of scout.

Adult leaders will be administering medication at Camp. **Please stress to your son the importance of taking his medication, and that it is HIS RESPONSIBILITY to ensure he takes his medicine at the appropriate time.**

The Troop first aid kit contains Tylenol (acetaminophen) and Advil (ibuprofen) in addition to basic first aid items. You will need to provide all other medications, whether prescription or over-the-counter. **All** medications that you provide must be in their original container with the proper dosage listed.

Every year, one or two scouts run short of their meds. Please include one extra day's supply of medication, just in case. Also, for scouts who use inhalers, please provide an extra inhaler.

**PLEASE DO NOT MAKE CHANGES TO YOUR SON'S MEDICATION WITHOUT A VALID MEDICAL REASON.** Camp is NOT the time to experiment with changing dosage or types of medicine. Do the Scoutmasters and your son a big favor by not making any alterations to his normal routine that have not been authorized by a medical professional.

Remember ALL Adults (Full Time or Part Time) Staying at Camp, any day beyond Visitor's Sunday, must:

1. **Have completed training: BSA Fast Start, This is Scouting, Youth Protection and Troop Committee Challenge.** Can be taken on-line at: <http://www.scouting.org/>
2. If you complete your training after April 1<sup>st</sup> plan to bring a copy of your training certificates with you to camp.
3. **Be registered with the Council.** If you have not completed training, you are not registered. If you are not sure if you are registered, please check with Todd Hollander. Pay \$15.00 council registration fee.
4. Have **completed Medical Forms** with Doctor's signature.

## Homesickness

Parents, if your son calls home and tells you that he is homesick, please call please call Mr. Erwin (Cell 913-257-3081) at camp and let him know. Past experience shows that Scouts will not tell the adults at camp that he has called Mom or Dad and asked them to come pick him up. When we see or hear that a Scout is homesick, we can provide special attention and activities to help the boy.

We ***strongly encourage*** you to leave your son at camp for the full session, even if he says that he is homesick and wants to come home early. Learning what it's like to be away from home is an important part of camp.

## Visitor's Day Checklist:

Visitor's Day is when your scout can show you around camp. Visits to the point, and the troop rock are popular. Expect hot and humid weather, with LOTS of walking. Wear comfortable shoes (sandals are not a good choice). Do not bring pets to Camp. Visitor's Day is **Sunday, July 19th** from 10:00 a.m. - 5:00 p.m. Parking is tight so car pooling is encouraged.

Please plan to arrive **before 11:00**. We will have a short invocation and begin eating lunch at 11:00 am. Bring a **picnic lunch** and table setting for your family and your scout.

BYOS. **Bring your own seating.** Many parents bring portable tables, as space is limited.

Please **bring extra food** to leave for dinner. Your son and the adults staying at camp, will have the leftovers for supper. We will have troop coolers in camp for food storage. Please bring some **extra ice** to help keep the food cold.

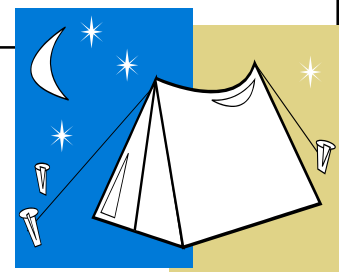

**Boys without family on Visitor's Day may feel very lonely.** If at all possible, please have a representative from your family at camp. If you will be unable to attend, please notify Mr. Erwin to discuss arrangements for food and extra attention.

If you are taking your son off the reservation you must sign him out. The sign-out sheet will be on the campsite bulletin board. Please have your son back at camp by 4:30 pm.

## Scouts Leaving Camp

**There are no part time scouts at Bartle. Scouts are expected to stay in camp for the full session. Missing days affects Mic-O-Say recognition.** If for any reason your son needs to leave camp, he should leave with a parent. If he leaves with an adult other than a parent, Mr. Erwin must have a signed note from a parent identifying the adult and when they will depart, and that adult must present a photo ID for positive identification.

Departure Notice Form must be completed at the Camp Office. The Camp Scoutmaster, Mr. Erwin, and Bartle Camp Director, must sign the boy out of camp before he leaves. If at all possible, please let Mr. Erwin know before camp if any boy will be leaving camp early.

**C**amp Contract and Fun! Our goal is for every Scout to have a fun and rewarding experience at Camp. There are great opportunities and memorable experiences to be had by all who come to Bartle. In order for this goal to be accomplished there are a number of expectations. The attached Family Summer Camp Contract (see page 6) outlines these expectations. **The contract must be reviewed by the Scout and his family, signed, and turned-in during the Pre-Camp Check-in.**

## Scout Money

Slushies & Ice Cream are daily favorites for many scouts, so it's a good idea to send them with some spending money. Depending upon family finances, a dollar or two a day should be sufficient. Your son will manage his own spending money while at camp. If you think this will be a problem for him, please discuss the situation with Mr. Erwin. Remember, you can replenish the money on Visitors Day or through troop mail sent to your scout.

- ♥ I understand that certain materials are not compatible with a positive Boy Scout camping experience for me and for those whom I might influence. Therefore I promise that I ***will not*** bring any of the following items to Summer Camp.
